

how to: Add a Copyright Mark ©

If you would like to add a Copyright mark © to your text, you will need to go into the HTML code.

Method for sub-script:

1. Go to Panel View
2. Click on panel view to open the HTML code. You should see something like this:

A screenshot of a source code editor window. The title bar reads "Source Code". The text area contains the HTML code: `<P>How to: Add a copyright mark</P>`. The editor has a vertical scrollbar on the right side.

3. Find the content you want to add a Copyright mark © to in the HTML code.
4. Apply the following code where you would like your Copyright mark © to appear:

```
&#0169
```
