

how to: Add a Trademark Symbol

If you need a trademark symbol, you will need to go into the HTML code.

Method for adding a Trademark symbol:

1. Go to Panel View
2. Click on panel view to open the HTML code. You should see something like this:

```
Source Code
<P>How to: Add a Trademark symbol</P>
```

3. Find the content you want to add a trademark symbol to in the HTML code.
4. Apply the following code after the trademark name:

```
<SUP>TM</SUP>
```

If you would like to adjust the size of the trademark symbol use the following code:

```
<SUP style="font:*px;">TM</SUP>
```

Where * is your font size.
